OUR CORE VALUES

For the Companies of the PROYTEC GROUP, every customer is unique, which is why every activity is tailored to specific needs, requirements, and preferences.

For the Companies of the PROYTEC GROUP, every customer is special, the heart of the company, always the top priority, with outstanding services, interventions, and solutions.

For the Companies of the PROYTEC GROUP, every customer is valuable, because every relationship is built on trust, care, and unwavering commitment.

Quality: is at the heart of everything we do. We are constantly dedicated to improvement, innovation, and operational excellence to ensure the highest levels of quality.

Transparency: serves as the cornerstone for fostering credibility, nurturing trust, and upholding shared responsibility in every interaction.

Ethics: is the fundamental pillar of every interaction, practice, and commitment toward customers. Only solid ethical principles - such as integrity, honesty, and respect - always guide toward a fair, responsible, and respectful decision-making process.

Company Quality Certification

PROYTEC
GROUP

PROYTEC GROUP

Since its **founding in 2012** in Caracas, PROYTEC has embodied innovation, quality, and the concreteness of its commitment in the financial, economic, industrial, scientific, technical, technological, and commercial sectors.

With a strong dedication to excellence, the company quickly gained ground in the international market, standing out for cutting-edge solutions, a customer-oriented approach, and a proactive ability to anticipate market trends, turning challenges into opportunities for growth.

In 2016, its vision for expansion led to the establishment of the Panama office, with the acquisition of the name PROYTEC PANAMA—a strategic step aimed at strengthening the company's professional, economic, and financial solidity while launching the brand in the international market.

In 2021, the opening of PROYTEC PANAMA's Branch in Peru marked another milestone, strengthening the Group's reputation and enabling it to offer its services to entrepreneurs and businesses from European Countries that still consider Panama on the grey list and have reservations about Panamanian Companies.

In 2025, the GROUP achieved a significant milestone with the establishment of two offices in the United States, further strengthening its global presence and its ability to offer innovative solutions on an international scale.

PROYTEC
GROUP

AWARDS AND RECOGNITIONS

In 2015, PROYTEC received the **“Premio Excelência e Qualidade Brasil 2014”** issued by the Brazilian Leadership Association which is awarded to Individuals and Companies that stand out in their fields of activity for their competence, honesty, and transparency towards society, serving as an example to all people of good faith, integrity, and character, committed to building a more equitable, just, and perfect society.

In 2019, PROYTEC PANAMA received the **“Certificado de Servicio Excelente Latinoamericano 2018”** from Cámara Profesional y Empresarial Latinoamericana which is awarded to professionals and companies that stand out in their areas of expertise. This accreditation recognizes excellence in customer service, teamwork, problem-solving efficiency, and user satisfaction, surpassing the competition.

In 2023, PROYTEC PANAMA received the **“Assured Quality Certification”** from the International Trade Council. Based on the submitted documents and an independent analysis, the Council recognized the Company's commitment to excellence.

In 2025, PROYTEC PANAMA received the **“Best Investment & Financing Company - Latin America - Client Service Excellence Award 2025”** Recognition from Worldwide Financial Award a testament to its commitment to excellence, quality, and sustainable growth.
